

Dear Owner,

Please always remember the pledge
you made the day you adopted me

Love,

Your pet bunny

I understand that adopting a pet rabbit is a commitment for the next 10 to 12 years. I agree to provide love and attention along with proper shelter, food, water, and a clean and healthy living environment for my rabbit. I promise to be a responsible pet owner. I will bring my new pet to the Veterinarian for routine or emergency care as needed.
